Dear Paul,

On behalf of everyone here at the Maine office of the Muscular Dystrophy Association, thank you for your support of our Bangor Area Telethon Executive Lock-Up. You were an excellent "arresting officer" for our jailbirds! You were a huge help and we genuinely appreciate you taking the time out of your day to help us at this event.

I'm pleased to say that the Lock-Up generated over \$71,000 for MDA. The Muscular Dystrophy Association is a national voluntary health agency that depends entirely on individual donations and special events such as Lock-Ups to continue the fight against neuromuscular diseases. The money raised in Maine helps to fund our two medical clinics, as well as support groups, therapy, repairs of durable medical equipment, a week long handicap accessible summer camp program for youngsters and many other services for our clients and their families.

The Bangor Police Dept. support was critical to the success of this event. We are profoundly grateful for your help. Once again, thank you.

Best Regards,
